### How do you obtain your FREE\* buildings' cover?

As soon as possible after entering into a contract to purchase a new home or residential investment property, call Allianz and advise the insurance team of the settlement date of the purchase.

Remember, this offer does not provide you with automatic insurance cover. Your FREE\* buildings' cover begins when your Allianz Home Insurance policy is activated and expires on the date shown on your relevant policy schedule (up to 90 days free).

\* The offer of free settlement cover may only be used in conjunction with the purchase of a residential home or residential investment property and the purchase of a twelve (12) month Home Insurance or Landlords Policy for that property which includes buildings cover. It is not available to land-only ownership or Strata Title properties. This insurance is subject to normal underwriting terms and is offered subject to your eligibility for home or landlord insurance with the insurer. You must consider whether you need insurance for your settlement period as this varies from state to state and may depend on the terms of your contract for sale of property. Please seek independent advice to ensure that you are adequately covered at the appropriate time. By purchasing a twelve (12) month home or landlord insurance policy (including buildings cover), your policy will include an additional free cover period for your buildings of up to a maximum of 90 days before the start date of your twelve month policy. The free cover period effective date and expiry date will be shown in your policy schedule. The expiry date will be the settlement date nominated by you, which cannot exceed the ninetieth (90th) day from the start of the free cover period. The twelve (12) month period of insurance under your home or landlord insurance policy will commence immediately following the expiry of the free cover period. Once the policy is purchased, the expiry date of your free buildings cover and the commencement date of your twelve (12) month insurance policy cannot be changed unless agreed to by Allianz in writing. The terms, conditions, limits and exclusions in your home or landlord insurance policy (which are set out in the Product Disclosure Statement and policy

schedule) will apply to the free cover period. These include, but are not limited to "Buildings not lived in for more than 60 days", "taking precautions" and "security devices and burglar alarms". The optional additional cover "Rent Default and Theft by Tenant" if selected in the landlord insurance policy, does not apply during the free cover period.

# Premiums payable by instalments may be subject to minor adjustments (upward or downwards) due to rounding and financial transaction fees may apply.
